

# ***ILLINOIS' ADOPTION LAW HAS CHANGED***

Illinois law now allows adopted adults born in Illinois prior to January 1, 1946, to obtain a copy of their original birth certificate listing the name(s) of their birth parent(s) by filing a Request for a Non-Certified Copy of an Original Birth Certificate form with the Illinois Adoption Registry and Medical Information Exchange (IARMIE), which is administered by the Illinois Department of Public Health. Starting **November 15, 2011**, adopted adults born in Illinois after **January 1, 1946**, may obtain a copy of their original birth certificate listing the name(s) of their birth parent(s) by filing a Request for a Non-Certified Copy of an Original Birth Certificate form with IARMIE.

Birth parents of adopted persons born in Illinois **after January 1, 1946**, may request that their name be removed from all copies of an adopted adult's original birth certificate released during the birth parent's lifetime by filing a Birth Parent Preference form with IARMIE after **January 1, 2011**. To ensure anonymity, the Birth Parent Preference form should be filed **prior to November 15, 2011**.

You can find more information about this new provision of the state's adoption law and download the needed forms at the Illinois Department of Public Health's Web site, [http://www.idph.state.il.us/vitalrecords/vital/non\\_certified.htm](http://www.idph.state.il.us/vitalrecords/vital/non_certified.htm), or by calling 877-323-5299 (toll-free).

All birth parents may still choose to share background/medical information through IARMIE and/or indicate a desire to initiate contact with an adult adopted person by submitting completed Birth Parent Registration forms to IARMIE.
